

## **Howard University**

### **Department of Mathematics**

#### **Assistant/Associate Professor in Algebra, Algebraic Geometry, Algebraic Number Theory**

The Department of Mathematics in the College of Arts and Sciences invites applications for a tenure-track position at the rank of Assistant/Associate Professor with research interests in the area of Algebra, Algebraic Geometry and Algebraic Number Theory. We seek outstanding applicants with a demonstrated track record of excellence in research and teaching. Successful candidates are expected to develop vigorous, extramurally-funded research programs in their areas of expertise, actively participate in the Department's teaching and curriculum development at the undergraduate and graduate levels, mentor undergraduate and graduate students, and engage in service activities. Evidence of interest and success in mentoring underrepresented students is highly desired.

Howard University, a culturally diverse, comprehensive, research intensive and historically Black private university, provides an educational experience of exceptional quality at the undergraduate, graduate, and professional levels to students of high academic standing and potential, with particular emphasis upon educational opportunities for Black students. Howard University is currently classified as an R2 research university with aspirations and actions underway to achieve R1 status within the next few years. It is a residential campus of approximately 13,000 students located in the heart of the nation's capital, Washington, DC.

The Department of Mathematics currently consists of fifty-two (52) faculty members, conducting pure and applied research with specializations in Algebra, Analysis including Dynamical Systems, Statistical Sciences, Applied Mathematics including Mathematical Biology, Combinatorics, Probability and Statistics, Differential Geometry and Topology, and Number Theory. It offers a BS in Mathematics, and a PhD in Mathematics with focus areas respectively in Pure Mathematics, Applied Mathematics and Statistical Sciences.

#### **Required Qualifications:**

- Earned doctorate in Algebra, Algebraic Geometry, Algebraic Number Theory or closely related areas from an accredited institution;
- Record of scholarship, teaching, and professional service commensurate with the rank of assistant professor;
- Effective communication and organizational skills; and
- Evidence of successful grant writing experience.

Complete applications consist of a single PDF file containing:

- 1) Cover letter addressing qualifications listed above;
- 2) Current curriculum vita;
- 3) Two-page statement of research accomplishments, interests and future plans;
- 4) Two-page statement of teaching experience and philosophy; and
- 5) Names and contact information for at least three references who will provide letters upon request from the search committee.

Completed applications should be emailed to the Chair of the search committee, Dr. David James ([djames@howard.edu](mailto:djames@howard.edu)). Screening will begin immediately and continue until the position is filled. The desired starting date is August 16, 2024. Additional details and information can be found at <http://mathematics.howard.edu>.
